

Roosevelt High School Foundation News

We are committed to assuring Roosevelt High School continues to be synonymous with excellence and leadership. Rough Riders today, with your support, continue the tradition of this flagship school.

For over five years, the Foundation awarded grants total \$110,000 to current RHS programs!

This year alone, the Foundation has received grant requests totaling over \$53,000! Requests include: books for over 1200 students in AP Human Geography, Science, Latin, and Science Fiction. Technology equipment, Model UN and DECA program funds, "Smart Boards" and PE mats were also requested. Without your generosity and dedication, the gaps in funding would keep Rough Riders from the futures we enjoyed, and they deserve.

Our recent Grant Distributions included:

Science Fiction Course Literature

DECA Program Funding

Model UN Delegate Funds

Gym Spring Floor Panels

Smart Boards for Special Ed

\$10,000 Emergency Grant for 2009-2010 District-mandated Science Curriculum

AP Human Geography Library books

Pilot Chamber Music Funds

Technology Spare Parts

Rider Pride- *please join us!*

- In April we held a tour of the 'new' Roosevelt for alums, donors and friends of the school. It was great fun to see our guests' reactions as they entered their old stomping ground for the first time in as many as 50 years! If you missed us in April but would like to visit the school, drop us an email at info@rooseveltfoundation.org and we can make arrangements this summer.
- On May 4, one hundred Rider alumni and parents enjoyed a fabulous day on the golf course for the Fourth Annual RHS Foundation Golf Tournament at Sand Point Country Club. Over \$45,000 was raised by our generous guests and sponsors! Their donations will be used to support technology needs in the classrooms next school year. Thank you all!
